“ *Jason was my lifelong friend. We attended college together, worked together in his custom harvesting business, visited as close friends in my Law office and elsewhere from time to time. We even sang Simon and Garfunkel songs together in the old days. We have remained close friends all of his life. I am so sorry I was not in Alva until today to find out about his death, and more sorry I was not here to attend his memory Saturday. God bless you Jason.*
