“ *Mary Alice and family, I know that your Mother had a wonderful life with such a great family. I am sure that she will be missed by all of you.*

I can remember Juanita from the time that she worked at Wright Drug Store. She was so kind to all of the young kids that she waited on. Had such a great smile for all of us.

Just try to keep the happy memories in your heart to help you through this.

“ I will always remember my Great Grandma as a great women. She was soft spoken with a kind heart. When I think about her she always had a peaceful presence about her. When I would stop by to see her, only if it was for a few minutes, it would bring a smile to her face.
I will miss you Granny.

“ Just a few thoughts about grandma: Grandma was soft spoken and enjoyed the company of others. She had a strong love for the Lord, and always gave back by helping care for many people. My grandma loved working as a nurse at E.P. Clapper Memorial at Waynoka, OK. I was always so proud when I heard others rave about the care grandma had given to people in the hospital. My grandma had a beautiful smile that would warm up the room when any of the grandchildren would arrive. Grandma was so sweet; there was never a time that I doubted her love. She had a way about her that was patient, understanding, and very forgiving. I will always be blessed to have traveled this life with such an amazing woman. I wish I could have told her all that I'm feeling right now; however, I know she's a step ahead of me. Grandma... You are the BEST!!!
