“ *I first meet Ms. Jack, as everyone called her here at James Crabtree, when I first started working here at James Crabtree 20 ago. She had a fine work ethic and many of us learned from her how to to be firm, fair and consistent, and to do what&s right. She ran a tight ship and I admired her alot.*

“ *I knew Jean through her work at James Crabtree Correctional Center. I admired the way she handled the offenders. She was always fair and consistent with them. She treated them all alike. She was a wonderful woman.*
