“ Dear Jean Ann, God has blessed you and given you a heaven to decorate. I could write a book about the person I knew thru the years we worked together, The grand parties you panned for residents, the trips you took them on, the love you shared with them and their family. You loved to decorate and did a fabulous, amaziing job out of nothing sometimes. I loved seeing you at your office making roses out of tootsie rolls, or in the kitchen making popcorn or biscuits for Munchies... We had some learning curves but we kept growing and giving all. You made a difference that can not be matched or denied.... I treasure you always.....Love Jane...
