“ *I first met Jerrienne many years ago when she traveled on Phi State bus trips to conventions and conferences. Since that time she has contributed much time and effort to our organization. In 1999, she was a most deserving recipient of our state&s highest member honor - the Phi State Achievement Award. Her friendship and efforts will be missed. “ My condolences on the passing of Ms. Hada. I was a student in Kingman in the mid-80s and have very fond memories of Ms. Hada. Besides her friendly knowledge in the library, she was our sponsor for the girls club TTLT (teens today, leaders tomorrow). Though very prim and proper, she knew a good time as well on our trips. Her kindness will never be forgotten.

“ *Dottie and Kathy
My sincere sympathy goes out to you and your family. Today I have lost a very good friend of 45 years. We shared many memories in being NWOSU students, librarians, travel companions and Delta Kappa Gamma. I will truly miss her, but I know she is in a better place after all her suffering. She always called me Dennis in all the years we have known each other.

“ *To the family of Jerianne, Jerianne was one of the eight in our graduating class of 1962 from Hardtner, Kansas. We shared many happy memories including our class plays and senior trip. Her suffering the past year saddened my family greatly. Knowing she is now free from pain and anguish brightens our memories.

“ My sincerest sympathy goes out to Ms. Hada&s family. I was blessed to have known her while attending Kingman High School in the mid to late 80&s and was amazed by her knowledge of the library. She was a great leader for TTLT as well and will be remember with fondness. Ms. Hada also lived across the street from my mother and dad before leaving Kingman and moving home. She touched many lives and will be missed by all that were blessed to have known her.

“ God blessed Jerriane in many ways ~ and then He blessed us by sharing her with us. Although her earthly presence is not with us, her many presents are! She was a remarkable woman as she lived with her diagnosis and faced its terminal onset. I will fondly remember Jerriane&s smile, her love of family, time for daily devotions, her passion for sending cards, her love of reading, her joy in traveling, her keen interest in genealogy -- and her boisterous laughter at something she read in a romance novel! Jerriane was a dedicated, active member of Delta Kappa Gamma, an international honor society for women educators. She served our chapter as president for two bienniums and served or chaired more than a few state committees and many chapter committees. Many of our chapter members proudly wear name tags she lovingly cross-stitched for us. She was truly an advocate for international students in our society&s World Fellowship program and encouraged us to send care package items to students studying in Kansas. She has left a wonderful legacy to her family, students, friends, and Delta Kappa Gamma sisters. As I remember her sitting on an airplane wearing her "halo" of light and magnifying glass to help with her newest cross-stitch project, I now know she wears another halo.

“ I had the privelege of working and getting to know Jerrienne while I was a secretary at Kingman High School, Kingman, Kansas. We had some good times together and we all, faculty and staff always looked forward to her Christmas party to help her celebrate her birthday. We retired together at the same time. I had only been at KHS 12 years, tho. Her laughter will be missed but I am happy that she is at rest. Love you Jerrienne. Nancy
