“ Barbie - Our deepest condolences for your loss of Jimmy Darrell. We were in the same class at Cleo and he was such a great guy, always up to something. You both had good parents and I know you miss them, too! Our prayers are for you and your family to have the Peace that passes all understanding. Hugs! Lori Watkins Irwin.

“ I only knew Jimmy for a couple of years back in Cleo, when his Dad taught there. He was a great kid--always had a smile & didn't have "an attitude." My prayers are with his friends and family at his passing.

“ I met Jimmy while working with Stoney. Rode with them both in the back roads of northwest Oklahoma. When we got back to Alva my sides were hurting from all the laughing we did. I could tell a few stories. But I know those are memories I will keep in my heart. Wont be long until i be right beside you in heaven.
