“ Jean and family: What wonderful memories we have from so many years ago in Caldwell, Kansas. The two of you were a great help in rebuilding the church in Caldwell and great workers in the Lord's kingdom. When your family began to grow, it was a joy to us as well as you. The personal relationship was also great and some of the adventures, like the blizzard that stranded you in our home. We have shared those memories for years and will for eternity.

“ Mr. Hanan will always hold a special place in my life for being a wonderful science teacher. He taught me more than science by what to expect when I got into college. Mr. Hanan was one to teach morals, values and most of all respect for yourself and others. Mr. Hanan will be greatly missed by everyone that he touched whether in the school system, public or church. We have a guiding angel still teaching us the way to be respectful at all times. My prayers and thoughts for the family during this time. Susan

“ *It is such sad news learning of my cousin John Hanan's passing. John and his family lived about two miles from my family; his mother and my father were sister and brother. We also attended church together. Jean and family, may God grant you comfort and love as you cope with your sad loss.*

Jean and family. I was just a young girl in Caldwell Kansas when your family was part of my life. I am the daughter of Willis and Barbara Hood. One of the memories that pops immediately into my head was I going to your house and you had a record of Herb Albert and the Tijuana Brass. My favorite song was The Lonely Bull. I loved that song. John was my science teacher and we went to church together. There have been many wonderful people that I have encountered in my life, and your family is one of them. Wishing you blessings and good memories at this time of loss. —Jamie (Hood) Hendrix
