“ *Juilann I'm so sorry to hear about Johnny. I remember him as a very hard worker. He loved his family and enjoyed time with his friends. Never known him to have a frown on his face. He love was the oil patch from a early age. I know he loved you dear. If he wasn't working or doing honeydew chores for you he love his time in a deer stand or a bank fishing. May God wrap his arms around you and give you comfort when you need it most.*
