“ Jonna was a dear friend throughout high school. I never had an unenjoyable conversation with her in all the hours of talks we had. I will miss her light in this world and look for it upon the next. Rest easy dear friend, you've earned it. ❤️

“ Jonna and I have been friends since Junior High. We didn't see each other for many years but when she returned to Alva, our friendship resumed. She spent time at my shop just catching up. We had a good visit at her house not long ago. We had some laughs, shared stories with her granddaughters but also had a “just the two of us” talk. I left her knowing she was ready to see her daughter and Ken and be free of her illness. Love you, Jonna💕💕
