“ Julie was always the nicest person. Her ready smile and cheery disposition always made me feel like she was glad to see me whether it was at school, at the store or at Wal Mart. I also went to her to check out if she were available to exchange greetings. I know that she will be missed by all of us but especially by the family. May God keep you in the safety of His hands until your grief passes. My thoughts are with you as you remember her.

“ I am so sorry about the sudden passing of Julie. She will be greatly missed by so many. I wish I had some magic words to say that would take away the sadness. She sure loved talking about her grandbabies just last week we were talking about how excited we were getting about the upcoming dance recital. Her family and friends were very important to her and in turn she is very important to us. Her smiling face along with her kind and gentle nature will be greatly missed. “ *Heather, Rebecca & Kids, My thoughts and prayers are with you in  
this very sad time. Jules was a very special person to me. She  
taught me how to be the best cashier but also the best person I  
could be. I don't think I ever saw with a smile. And she always had  
a hello for you no matter where she saw you. I know how much she  
cherished all of you. From the way she talked you were her world,  
just as it should be. I assure you WalMart will not be the same,  
because a very important part of it will be missing for now on. I  
know in my heart she will be up in Heaven keeping a watchful eye  
on all of us. So we'd better be on our best behavior or will hear  
about it later. I will keep all of you in my prayers. Don't hesitate to  
call if there is anything that I can do. God Bless You.*
