“ Thinking of you at this time. I had stepped in to see Karen, I think Monday night. She was crying and saying I want to go. I felt like she was wanting to "go". I told her she would be taken care of. God loved her very much. May she know a wonderful life with our Heavenly Father. I truly know there is life after death and I know Karen will be blessed. She was always frail and never healthy. She had been a very brittle diabetic for many years and the disease had control of her body, mind, and life, but not her spirit. May you as a family know we love and care about you.
