“ *Dearest Willson and Cox family; I am heartbroken to hear that God has called on of his angel to come home. We will never understand why he does the things he does, but just know that heaven must have needed her more then we did. Just remind her two wonderful grandchildren that when they look up at the stars at night the brightest one will be Grandma Kathy watching out for them. May peace be with you in the days, weeks and years ahead, and always remember the good times you had as a family. May God take your hand and ease the sorrow, but remember he has his reasons. God Bless each one of you. Monte, Lisa & girls*

“ *Dear family, I was so, so, sorry to hear of Kathy&s passing. She was a wonderful woman with a heart of gold. We had gotten to know each other in the last few years, more so than in the past. I so wish that we had had this friendship sooner, but am very grateful for the time we did have. I will be keeping you in my prayers for a very long time to come & please call if there is anything we can help with.*
