“ *Just learned of Kelly's passing today and wanted to let her Family know that they will be in my thoughts and prayers. Kelly and I worked together at BancCentral until I retired in 2013. She was a wonderful, talented and faithful co-worker and the best friend anyone could hope to have. Her love of Family was outstanding, and even though I never met some of them, grew to appreciate them because of her love for them. Kelly, you will be missed by all that knew you. I find comfort in knowing that you are with your Mother Karen that you cared for and loved dearly. Thank you for many wonderful memories at BancCentral. Clint Elliott*

“ Remembering the fun summers in Capron, well for me but you always seem to get in trouble for what I did. To my second cousin who seemed like a first cousin. Bet you are having the time of your life right now with grandpa, grandma, Karen, Doris, Jean, Lenny, Ben. Being absent from the body is being present with the Lord.

“ Kelly was the first employee I hired when I took over the family business. She was always willing to work the extra shift or change shifts. I depended on her a lot and she never let me down. I loved that girl. She is no longer in pain and can walk, run and see. I'm so sorry for your loss.
