“ *To Kim&s family: I am in shock over Kim&s death. I wish I had known she was ill. I&m a nurse that worked with her when she worked in Purcell and I was a server at her first wedding. I loved her dearly and have tried on numerous occasions to contact her over the years by calling Jill. The last time I talked to her was when I was living in Hawaii and SHE called me to see how serious I was about "that guy"...I always wanted to tell her that I married him! She was so free spirited and had so many stories to tell and could talk about anything to anyone. Oh how I wish I could have talked to her before her death. I will miss her very much. “ *I am so sad and sorry to hear of Kim&s passing. I feel very fortunate to have known her. It&s such a joy to have the wonderful memories of the times we spent together during my college days and beyond. I will always have a giggle when I think of her driving that ol& pickup "Buckin& Red"! We&ll all miss you, Kim. And to your family, my thoughts and prayers are with you.*

“ *To Kimie Kay&s family. Kim spent some quality time in our home as teenager. She was a dear friend to my daughter, Julie. When Julie was a freshman in college she got pregnant & back 30 yrs ago the unwed girls didn&t flaunt their pregnancies. Most of Julie&s friends quit coming by, even the father of the unborn child, who is Kim&s first cousin. But Kim came by every day and would take Julie riding in the car and made sure Julie could have a little social life. If it hadn&t of been for Kim Julie would have been friendless except for Johanna Pearson, Dudey Redwway, and Mary Katherine Busse who Julie & the other ladies did cermics together. All of us in our family loved Kim and will always remember her. When she moved back to Alva and brought her beautiful little son, Julie loved having them come to her home to visit her, Jimmy and DesiRae. Logan, we&ll never forget your mother & you are welcome to come see me anytime, eventho I&m an old grandma. Jewel*

“ So sorry to hear of Kim&s passing. She was a person who said it like it was and went after life full speed. We loved to talk with Kim and remember times when we were young. Bruce says they played many basketball games in the driveway on Murray Dr. She was an athlete to be envyed, and conversationalist who could talk with anyone for hours and a good friend to so many. We pray for you all in your loss. May you remember the wonderful times with Kim and be comforted. Dixie

“ I was so saddened to hear about the loss of Kim. She was so kind to our family, when my Grandpa, Orin Lancaster, passed away. She came to Enid to pick us up and even went and picked up some medication for me when I wasn&t feeling well. She was always around that week and offered her help, kind words, and anything we needed. It meant a lot to our family during a tough time. Dick, you are in my prayers. May you find strength in God.

“ I was deeply saddened to hear the news of Kim&s passing. She had a great personality and I am comforted by the many fond memories of her from junior high and high school. I pray for strength for Peggy, Dick, and Logan and that you will find comfort in the arms of the only person that can provide anything of lasting, eternal value - God&s only Son, Jesus Christ. He is the one who will wipe away all your tears as you turn to him. It&s during times like this that we find out how incredibly deep His love is for us - after all, it pleased Him to go to the cross on our behalf to pay a debt that we could not pay. No one knows better than Him what you&re going through and how you feel. Trust Him and He will act.

“ Dear Logan, Peggy & Dick,
I am so lucky to have had Kim as a friend. She was a great person with a big heart. When I was pregnant with DesiRae she was the only one that stuck by my side being there when I needed a friend. She supported me all the way when I ran for county treasurer. She drove me to Freedom putting up signs and introducing me to lots of people. I&m by far not the only one she has been there for through thick & thin. She never asked for anything in return. We knew that we would be there for each other. It saddens me that she didn&t let me know she was ill. I would have been there for her. She and I also shared many happy times together. Neither one of us will ever forget the summer we helped Harold, Marty and Mike with harvest. That was the funnest summer!! She talked about it often when we were together. I can still hear her laughing!! Kim was a blessing to my life and to many others. I will treasure her friendship forever. Logan, your mother was a wonderful caregiver. She was an awesome person. I will miss her very much. My prayers go out to all of you.

“ WOW! All I can say...WOW! What a shocking loss. There is not enough text room here or paper on a pad to go through my memories of Kim. I was sorry she didn&t make it to our class of &78 reunion a few weeks ago. Would have loved to have visited with her one more time.
She/we had more fun than anyone should have ever had and lived to tell about it!
I trust she&s resting in peace and that the Lord is keeping you all in His care.
With you in thoughts and prayers from Colorado.
