Dear Darbe family, I had the pleasure of knowing Kirby in my teen years growing up in Waynoka. He would chase me all over town but he would never give me a ticket. We tell me it was time to go home so he could go find a stop to take a nap until his shift was over. Your dad was always tell me homes when years later we meet up years later working at VAP. I will miss this dear man very much. When he got the job back at the college he was so happy for all the benefits that came with it. May God comfort you in this time of losing a caring angel. I'm going to miss my friend.
