“ *Mary, I am still horrified by the trauma that I know you feel every day. My prayers are with you and your family. Remember that this is a temporary separation, and Colton is eager to show you around on the streets of gold someday. He is well and happy and wishes his family not to grieve for him. Smile when you think of him and think of the day you'll see him again. Love you so much.*

“ It is so very hard to understand the timing of when we leave this planet. When our stay here is so very short the pain of sorrow is deeper for those left behind. We pray your sadness will turn into joy to know that one day you will see Colton again with that beautiful smile behind the Pearly Gates. This is not our home. We love you and pray that GOD will give you peace and comfort you during this very difficult time. With much love and respect, Adrian, Deborah & Celeste KeithMarilyn, Andy & Conrad tenHaaf
