“ *I have so many happy memories with Leola. Our friendship grew more and more through the years. My kids loved her the minute they met her and she loved them the same. I will miss our bingo days and her contagious laugh, but most of all I will miss her hugs and visits everyday. I'm so thankful for getting to meet some of her family especially her sister, Lois. Prayers be with you.*

It was always such an uplift to visit Leola. Her dedication to family, community, and her sense of humor will be sorely missed by all who knew her. Our earthly loss is Heaven's gain.
