“ *Dody&s family: Dody was a close friend of mine. So glad we stopped by to see her on our way to CA, in July. I really missed her, after she moved from Alva, as we visited a lot in her home there. We got well acquainted when I was a volunteer at Share Home, at the time her parents were residents there. Dody was so devoted to them. I pray your hearts will be filled with warm memories of such a special lady.*
