“ Just found Lois' obituary on the web and am so sorry to learn of her death. Her father, Miles, and my father, Galen, were brothers. I was born and raised in Cle Elum, Washington, where my father owned a furniture store. I now live in Missoula, MT. I visited Lois in Alva some years ago when I was in OK for business. She tried to take me out to the homestead where are fathers lived, but we ran into deep red mud and had to turn back! Would love to hear from any of the family....
