“ Our deepest sympathy to her family. Lupe was a very special person to my kids and I. We are going to miss her very much. Every time we visited Waynoka, the kids would say "When are we going to see Lupe". They considered her as a second grandmother. We loved her and will be very missed.

“ To the family of Lupe,
My deepest condolences for your loss. Lupe was a very dear friend of our family. As a young girl, she was a bright light in my life, I helped her clean some houses, she did that to help me earn some money, she lived her life for God, and I am honored that she was my sponsor for my confirmation, her life was inspiring to many people in Waynoka and she'll be greatly missed by many.

“ *My deepest and most heartfelt sympathies to all of her family. Lupe, my Godmother, was a very special lady. She was the most considerate, kind, and generous person I've ever known. She had a heart of gold. I remember growing up and going down to her house to have a tortilla and a coke, just to get away. She was always glad to see us neighbor kids. Lupe was a person you could trust wholeheartedly. In my growing up years she was a consistently wonderful lady in every aspect. She has been there every step of the way, from my birth, 1st Communion, wedding, hospital stay, being my Mom's best friend, and enjoying photos of my kids, and attending their graduations. She was also very appreciative. One day she came and visited (with my Mom), and I remember her wanting to clean my bathroom mirror. Here she was turning 80, my guest, and she's wanting to clean my bathroom mirror. I said, oh no, Lupe, I will do it. But she said, "oh it's the least I can do for your good hospitality and your feeding me". She was a lovely person. In this day and age, it's rare to find someone that everyone likes. Lupe is one of those rare individuals that "everyone who met her liked". She had sincerity, honesty, integrity, and she listened. I am so humbled that I was one of at least three (Juanita & Libby Franco also, as I recall) were her Goddaughter's. She was a true inspiration/literally in how she lived her life in a simple, humble way. A lesson we could all learn from. My deepest condolences to Mary and her family, Paul Jr, her brother Jess and other beloved family members. Love to you all!*
