“ *I'm Jessica's good friend. One school night in
I believe freshmen year of highschool i stayed
the night Marge told us to go to sleep. Well
Jess cracked a glow stick and it flung all over
the place. Needless to say they had a whole
bag of colored glowed stick we each grab some and started to have
a glow stick fight and Marge wanting us to go to sleep com s in the
room one last time and turns on the light....were trying to hold our
laughter. She said along the line of something "your such good kids"
she turns off the lights and the room is covered in our glow stick art.
I'll never forget it haha good memories*

“ Marge and Les were 2 of the best neighbors I've ever had. They welcomed us to the neighborhood, played cards, took us fishing, to the races in Enid, etc. Marge always went fishing with us, but always took a book to read because she didn't fish!! She taught me how to can vegetables out of our garden. Helped me make jelly many times. She was always there. The neighborhood will never be the same. Love and miss you, Margie.
