“ Our deepest sympathy goes out to María’s family. Especially in our thoughts are her children – Julius and Jordyn. May they know that their mother’s love will remain with them in their memories and recollections.

There are no perfect words or sayings to take away the pain of loss being experienced by María’s family and friends. The pain is real but will soften by the knowledge that María lived her life to the fullest.

“ My sweet and beautiful sister 💕. Maria I know you are watching over us all but I am selfish I guess because I want you back. There are no amount of word that can express how much I love and miss you and there will NEVER be a day that goes by that I don't think of you. I know you know how much I love you but I feel like I did not tell you enough. I dont know what we will do without you💔
