“ *I worked with Marj at Wal-Mart for over 15 yrs! She was always honest and told you what you thought! I got to know her and had heard about her daughter who had passed, so now I can say that she too, is in heaven now and can be reunited w/her beloved daughter. She always bragged about her neices and nephews and showed me pics of them in their OU gear or them playing sports. God bless her and her family..she Will definitely be missed.*

“ I don't know if Gladys or anyone else will remember our summer track. A few relay teams(which were pretty much the same people)and then I know Gladys was amazing at the throwing events. It was my last summer here and this trip made it a great time. Anyway, she took us, a bunch of crazy 5th graders to this Lions Club, I believe state track meet. I just respected the heck out of her because most teenagers wouldn't have done it. Anyway, I know Wal Mart and Alva were better places because of her.
