“ *Our most sincere condolences to Mark's children and grandchildren, as well as the rest of his family. When my co-worker and I met Mark in September of 2014, Mark was going through some hard times. We kept in touch and when we last saw him in February, 2015, he was such a different person. He was so bubbly and funny, and on the road to success. Even though we didn't know him long, what we knew of him has touched our lives. He will be dearly missed. Rest in Peace Mark. You earned your wings!*
