“ *Mary Carol&s sense of humor and heart were the same, big and beautiful! She was kind to everyone, as a timid teen ager I always appreciated her attention, I was treated just like the "popular" kids. Thank you Mary Carol, you continue to live in my heart.*

“ *Mary Carol was a wonderful person. She was so talented in many ways. She was truly a special gift to us from God. She touched so many lives in her teaching and drama work, one will never know how many lives she blessed with her comedy and counseling. She lived life as she wanted and made it a great experience. We all loved her. My Respects, Linda Stewart, retired professor NWOSU*

“ *Even tho there have been a number of years since I was fortunate enough to have shared a joke or deep thought in the student union at NSC, just remembering Mary Carol brings a smile. She is one I am very thankful to have had pass thru my life. May God bless you all.*

“ I&ve known Mary Carol all my life. She lit up a room when she walked in. She had such energy and a zest for life. My favorite saying of hers was, "Oh, my stars and red garters!"
My senior year she wrote her own version of "Annie" and she played Mrs. Hannigan. It was a hoot! We had so much fun making our costumes and practicing that play. She performed that part better than Carol Burnett did in the movie.
When you were feeling low or had a problem, she could make you feel that you were the most loved and understood person and a simple hug could make it all better.
Mostly, I remember her laugh...you could hear it all over school...it made you laugh.
"Teach" was such an amazing person...there is a hole in the world with her passing.
