“ *I went to school with Mary Kay. We were in the same grade. She was so beautiful but I was too shy to even talk to her.*

“ *I worked with Mary Kay at the Waynoka Nursing Home for a few years back in the 80s and she was such a big beautiful personality! I have thought about her over the years and I'm very sad to hear that she has passed. Many prayers and loving thoughts to the family as well as friends.*

“ The memory that has been replaying in my mind is Aunt Mary Kay walking through Grandma Miller's living room laughing and making me laugh. I always thought she was beautiful. It meant alot to me that she always sent a Christmas card. Sadly, I have mostly regret now that I did not contact her and communicate with her especially after moving to Texas...I loved her and love her still. I just always thought I'd get to that "later". May she rest peacefully now perfectly loved with God in heaven.
