“ *Im glad I was able to make it home in time to see you again. I'll never forget you giving me the spiderman action figure when we were younger, the beginning of my love for spiderman. You were always on my side whenever Nicole was "picking" on me and I thought it was awesome. For the time being, I know you'll be all of our guardian angel until we meet again. I love you, Matt.*

“ *The one thing i will always remember and admire about Matthew was how well he dealt with his health issues during the time i knew him. (Yes Matt....your stepmom did say she admired you!) Throughout all the hospital and doctors visits, the discomfort, the aches and pains, the nuisance of living with that pain in the butt liver disease....Matthew dealt with all of it like a true champ. He kept a positive attitude (except when he was told he couldn't eat what he wanted)... As my grandma Helen said... "Matthew was a fighter". I miss you Matt! Love u foreverly, Your Step Momma (Sherri Doub)*

“ *Matthew was an adorable little boy. Big dark eyes with a head of dark curls. He always had a smile on his face. So sweet. The comfort is knowing he is with his little brother and great grand parents. Love to all, Great Uncle David and Great Aunt Nett*

“ *Matthew always thought of others. He loved Christmas and loved white elephant gifts. I was privileged to sit with him at the hospital throughout his final fight with Stage 4 liver failure. We talked and laughed and cried at times. Through his journey to gain his wings he kept a positive attitude. I miss him very much and will cherish his last night in the hospital as I sat by his bed; we slept and talked about everything. Fly high grandson. I love and miss you with all my heart. Gram ❤️❤️❤️*
