“ *After visiting with Max, and then with Sherri, at the hospital, we just couldn't get you off our minds! Our hearts break hearing of your loss. There is no way of explaining the heart ache and void of losing a child! Even though we don't understand why, we know it's God's plan. We pray each of you may find comfort in the love of our Lord, and in special memories of your loved one.*

“ *To Melinda's family. Sherri & Dale I can not begin to understand why God takes such a young lady. What I do know is Grandmother Alberta is holding this beautiful girl. My grandson lost his dad very young and we told him that the brightest star is his dad watching over him. These seems to help. Just keep her memories alive through her little sweethearts. May God wrap you in his caring arms and ease you pain.*
