“ *I'm so upset that I just now found out about Melva. I was her neighbor in Edmond for 10 years and I loved her so much. I miss her, I look at her house every day and think of her and lots of other little things remind me of her too. I wanted to reach out to her and found her obituary instead. May God bless her sweet soul.*

“ Reading the obituary of Melva reminded me of all the hours we spent riding the school bus together. The Stamm girls were the smartest and quietest of the lot. I didn't get to graduate at Amorita but did graduate from Burlington in 1959. Melva's mother convinced me I should go to college by making sure I had my room reserved, etc. at Northwestern. I'll always appreciate that!!
