“ *Not gone, merely marching far away.*

*I'll always remember the times working at Bakers with Mike. He was a good person. I'm glad I got to help him on his resume applying to the railroad, even though that meant we wouldn't be working together.*

“ *Oh Mike.....I could write a book on all the adventures we had growing up. I remember in particular the road trip we took to Nebraska to see Bud and Virgie. I don't know how we convinced your mom and my parents to let us go. What a fun time we had, but it was just one of many. Rest in Peace Brother. I will never forget the "Ole Blue Mule" either. David*

“ *My first motorcycle trip was with Mike and Greg Swerdtfigure. We went to Eufaula, Tenkiller, and Canton lakes. Rode a water motorcycle, slept on park benches, and ate at the world-famous Fin-N-Feather. We headed to Canton through Oklahoma City and rush hour to Bud and Virgie's. I don't remember what year that was, but we had a pretty good time. It is with I heavy heart that I write this note, see ya someday Mike.*

“ *Prayers for comfort to the family at this difficult time. Mike always had a smile and was always willing to share his tomatoes! We would often arrive home and have a bag of tomatoes hanging on the door! He will be missed!*

“ *Back in the day, Mike was a paperboy for me at the Alva Review Courier. He was a really nice young man, with a good sense of humor, and a little pinch of ornery. He will be greatly missed.*
