“ Norma Gene was a part of our family and we all loved her so much. She was so kind to everyone--and a dear friend to Melinda--Melinda loved her like an aunt--as we all did. Norma Gene&s love of cats was endearing and showed her sweet compassion for animals. She would always proudly show me her big, beautiful cat :) when I visited her--and her manicured lawn and flower beds were beautiful. May your memories bring you peace. She was a wonderful, spunky lady.

“ Norma Gene was one of several of us who used to enjoy "coffee time" together, at Holder&s, back in our "days of employment". I can still see her and Tom Morford walking down the sidewalk towards the drug store. May special memories console each of you, especially during this time.
