“ *Dear Friends, Please accept my sympathy in the loss of your dear Mother, Grandmother, and Sister. My earliest memory of her is from high school when your Dad was coaching the Waynoka Railroaders, and Opal would be seated not far away with two or three adorable little blonde-haired children. A very sweet memory. May God comfort you during this sad time. Love, Sandie Olson*

“ Trudy, Wanted to let you know how sorry I am that you lost your momma. I know you will miss her greatly. I have a couple of memories to share with you .One was the time that you and I were playing with your guinea pig (that bit me by the way) and it got loose in the house,we searched for hours. your mom opened the oven door to light it and there he was(to her surprise and ours)I just remember her screaming!!! We never did figure out how he got in there... Track meet&s,I remember the fried chicken that she would make us,everyone else had cold sandwiches!LOL It was so good! I also remember the cool hats that she made us for our gradeschool cheerleading uniforms. I still have mine.Memories are a great thing to have and keep. My thoughts and prayers will be with you.

“ The Treece Family,
I know how little words written on a page can mean to you at such a time, but I still want to let you know that you all are in my thoughts. Opal held a special place in my heart and was loving, genuine, and a good friend. She always had kind words for everyone and was always willing to lend a helping hand. Opal was an inspiration and her memory will forever be a means of encouragement.
