“ *Bob and family, I just learned of your loss of Pattie. Guess I&I have to talk to Collin about that. I&I always remember the crazy times with Pattie and Sue, they were always in trouble and loving every minute of it. They gave my Mom more than one of her gray hairs. Pattie was always laughing and that&s the way I&I remember her.*

“ *Pattie was such a good and fun friend. We did many crazy things in high school. She fed dog food to some high school boys who was trying to crash our over night party. They thought she was fixing some really good sandwiches. She always loved horses and took care of Mr. Grave&s horses and mules and he would let her ride them. That was a tough job. Her personlity was bigger than life and she was always the life of the party. I have thought so much about her. So sorry for your loss.*
