There are not enough wonderful words to say about Peggy and Mac and this wonderful family that I grew up with in church. Peggy had such a loving and gentle heart and I can't say enough about the children that some of you I went to school with. I have always thought you were the nicest people I have ever known in my life.

“ To the family of Peggy: I had the pleasure of knowing grandma Peggy from Falls Creek. Think I went 4 years and she was a blast. And she was the best cook ever. If you were still hungry after her meals it was your own fault. We didn't have the luxurios they have now. No air conditioner and our bathroom and showers were outside. But we could always count on Peggy to make our week memorable. Put us kids a little closer to God. She made the world a better place.
