“ *Dorothy, Amy and family, so sorry to hear about Ralph. Sorry I couldn't attend the service, but duty called here at OG&E on Saturday. As I celebrate my 28th year here at OG&E today, I can't help but think of Ralph, he was a great inspiration in my life. He was a great teacher and the most loyal company employee OG&E has ever had. I owe a lot of my success to him and have tried to follow in his footsteps. He truly was "ONE OF A KIND". God Bless You All*

“ *Ralph was the neighborhood cleaner upper! You might see him painting the stop and/or street sign poles, cleaning curbs, picking up trash, whatever he could do to keep his neighborhood looking nice & clean. He was a jolly fellow with a great sense of humor. We will miss him.*

“ *I used to tell Ralph I was gonna build myself a "total gas home". Ralph would say, "You have my full support if you can do that. I would be especially interested to see what you come up with for a total gas toaster, cake mixer, and some of these other kitchen appliances." Ralph had a good sense of humor and always brought a little joy to my day when I saw him.*
