“ *I haven't seen him for 30 years but I've always considered Raymond and the Jacobson's my family. My dad worked for Raymond for years at A/R and I am the same age as Jason. Spent a lot of time together until our paths parted. My dearest sympathies to the entire family.*

“ *My memory is lots of summers as a kid with all the family. Dune buggy riding being at the top of the list. My dad, Ken driving in from Arizona with us all in tow and arriving at Uncle Raymond's house at crazy hour like 5 am. He probably picked Uncle Raymond because he was the nicest guy on Earth and the only one that would put up with such nonsense 😭. I don't think I'll ever meet anybody nicer than Raymond Jacobson. Rest In Peace. My prayers to the family.*
