“ *I am so shocked and sad to learn of Becky&s passing. I throughly enjoyed her in class. She was a tremendous help not only to me, but to the entire speech team. She took the time to catalogue all the performances on all of the video tapes. It was a huge undertaking, but one that is still used today and will be for many years in the future. I was blessed to know her and to have her willing and capable hands along with her dry sense of humor that gave me a number of chuckles on days when I was feeling tired and low. She will me missed! All my love and prayers to those of you who are trying to accept this untimely death of such a wonderful young woman. Charlene Bradt & Family*

“ I am deeply saddened to hear of Becky&s passing. I remember teaching Becky in music class at Dacoma and how Alice was always proudly talking about Becky Sue. Then as the kids grew up & we all went to Alva & Becky became involved with the academic team which Eric was also a part of. We are so sorry for your loss. You will be in our thoughts & prayers through this difficult time. Joy & Scott Ware

“ *It&s so sad that she is gone. She was such a unique individual. I&m so glad that I got to spend time getting to know her on the academic team. We had some great times together! She beat me hands down everytime in trivial pursuit! And a few years ago she really encouraged me when she told me that she had found the courage to be herself, and that she was so much happier! She will truly be missed!*
