

Ricky Baird

September 13, 1972 - March 14, 2009

Funeral services for Ricky Lee Baird will be 3:00 p.m. Tuesday, March 17, 2009, at the Waynoka School with Mike Marsalis officiating. Interment will be in the Waynoka Municipal Cemetery under the direction of Marshall Funeral Home of Waynoka.

Ricky Lee Baird, son of Rex Ivan and Carolyn Sue (Nusser) Baird, was born September 13, 1972, at Alva, Oklahoma, and passed away March 14, 2009, near Waynoka, Oklahoma, at the age of 36 years, 4 months, and 1 day.

Ricky graduated from Waynoka High School. He then attended Oklahoma State University at Oklahoma City and had almost completed his Law Enforcement degree. On March 12, 1994, he was united in marriage to Michelle DeAnn Hougland at Alva. They lived in Alva where he worked as an Alva Police Officer, and then to Perry where he worked for the Perry Police Department and Noble County Sheriff's department. In 2001, they moved to their home southeast of Waynoka where he worked for the Woods County Sheriff's Department, then later at the Little Sahara State Park. He was a welder by trade, but his heart was in law enforcement.

He was a member of the Elm and Murrow Church of Christ. He enjoyed hunting and fishing, but was particularly devoted to his music. He was an accomplished guitarist, singer, and songwriter and was planning to record some of his original music.

Ricky is survived by his wife, Michelle Baird of Waynoka; two sons, Andrew Blake Baird of Waynoka, and Conner William Baird of Waynoka; two step

daughters, Laci Sandefur of Oklahoma City and Chelci Sandefur of Stillwater; his parents, Rex Ivan and Carolyn Baird, of Waynoka; his sister, Sherry Shklar and husband, Michael, of Pratt, Kansas; his paternal grandfather, Forrest Rex Baird and his wife, Helen, of Waynoka; his maternal grandparents, Dean and Patty Nusser, of Alva; other relatives and many friends.

Memorial contributions may be made through the funeral home to a fund for Andrew and Conner's education.

“ *Baird Family: I am so sorry for the loss of Rick. I met Rick in the Police Academy. Rick was the type that when you met him, he was a friend forever. After graduation, I kept in touch with him and actually got him a job with me at Noble County. Rick moved in with me until the school year was over so he wouldn't take the kids out towards the end of the school year. We had many fun times together. For some reason he would always call me "G". I will miss Rick's e-mails, phone calls, and that laugh of his most of all. My thoughts & prayers are with all of you.*

“ A note to my Friend Rick Baird, my thoughts & prayers are with your family.

Rick, I know that you will not get this last e-mail here on earth, but I do have faith that our good lord will send it to you. I was blessed to get to know you first as a customer and now as a friend. Rick, you had faith in me as that salesman to you on the products that you bought - and I thank you for that. I also loved the phone call back to me when you had the system installed, I will never forget that excitement in your voice and I think that was the day that you really really believed in me as a person - that was honest and real. Rick I have been doing this performance stuff for a long time and I can honestly count on one hand on how many true friends that I have made over the phone. You were my friend, my brother that I never got to physically see and I have to keep the faith right now that God will let me hang out with you someday. I know that we talked about it a lot, I loved the stories you would tell me about you and the boys hanging out there playing your songs and having BBQ's. As I talked to you I could picture the setting and like I would say - it's just some good ol boys and girls hanging out on the farm. I'm a city boy as you knew with back east roots and my heart was always there with you my friend having that good ol time. I remember that you were going to send me a cd also, so buddy you still owe me one and I'm going to hold you to it as we would say.

My friend I tried to call you today and when I seen you name come up on the caller ID as you know I would always address you as Rick Baird and that's the man that you are, your girl answered the phone and told me the news, I was in shock and did not know what to say and still do not, you were always that person that I could talk to you about tragedies like this. I remember talking to you about my uncle in PA. that passed away Thanksgiving from being a welder in the steel mills, your heart went out for me and my family, you gave me good words of wisdom and I thank you again for that. I know that I'm rambling on, (as you would say in some of our long conversations) but my heart is heavy my friend and as my day came to a close and I was able to reflect back on our many conversation and the tears came falling from my eyes. Rick, I know you would

say don't cry for me but I know in my heart you would do the same in my shoes and in your boots. I never have done this before in my 40 years of life and have never gone thru a tragedy like this with someone I never seen, but I felt so close to you and the boys & band I never met. I remember that you had a lot of cool titles to your songs and you would explain them too me and it was some amazing stuff when you told me the lyrics. So I have a song that is kind of based off Reba McIntyre the "greatest man I never seen" and what an impact you had on my life. Your voice will never be forgotten, your kindness and your dreams will all be with us and now the good Lord gets to have some good times with you. I will miss you on earth my friend but we will meet again I promise you that, so long for now buddy!!

*Sincerely,
Your Friend

“ To all the Baird Family, I simply loved Rick. He was one of my kids. The time he spent in our home was lots of fun for us. We enjoyed his sweet personality. Rick was fun to be around. Rick loved people and they loved him back. I have looked at this website many times because it is so hard to believe that this has happened. I don't think that there has ever been a peace officer that could deal with people like Rick did. He could arrest someone and make them think that he was their best friend. We are going to always miss him. We are praying for comfort for all the family and want you to know that we will help in any way that we can.

“ I am for your loss of a great man. Ricky was a very sweet guy when we were in school. He will be greatly missed in Waynoka. Ricky was a go gettier when he would want something. It is going to be hard to cope the loss of a very fine gentleman. The Town of Waynoka has lost a fine person, but he will always be in our hearts and we will remember him the way he was. He was a happy person that you would be glad that you met. I am so glad that I got to know Ricky Baird. I will keep your family in my prayers.

“ My, my, this is so hard for me to believe. I had not seen Ricky for probably 10 years when this fella in uniform, complete with cap, came up to me in Ampride and gave me a big hug. I looked at him in surprise and he said "you don&t know me do you" as he took off his cap. Then I knew him - and gave him a big hug. He was always the kid with the big smile, friendly, and knew you every time he saw you. Ricky&s a kid to be proud of, as Carolyn and Rex you always were. I loved him as I loved you Sherry. My heart is with each of you and you are in my prayers. I couldn&t say anything at the funeral home Sunday morning as my heart was breaking for you, but do know I love you. God bless. “ To all of the family, I am very sorry to hear about Ricky. My heart longs out for the children espically as I too know the pain that they are feeling. I have fond memories of Ricky some how always keeping an eye out for me when I was starting to date. My dad always was able to count on Ricky if he needed someone to check up on me when I was out at night. Word travels faster in a small town/county, but espically when your cousin works for the county sherriff&s department. Just remember that he is in a better place now and he can do all the hunting, fishing, and singing that he wants. I love all of you! And you are in my thoughts and prayers.

“ Rex and Mrs Baird, Sherry, and Michelle and Families - I am so very sorry for your loss of Ricky... He was such a great person, always a smile for everyone. His heart was always open and full of love for life, family and friends. Growing up in such a small community makes everyone feel like family. We will miss him very much. Look to the Lord for strength through this very difficult time. Know that the Lord is with you and that Ricky is in heaven playing his guitar for the Lord and looking down on each of you! Be very proud of him for all the lives that he touched. He will forever be in our hearts. Always, Always! Maria Wells

“ Rex Ivan, Carolyn, Sherry and Family I am so sorry to hear about the loss of Ricky. He was a great guy with a big heart. I will always remember the many times we shared growing up and playing as kids. Especially the time Ronnie, Sherry, Ricky and I were stuck on a broke down bus with big Rex and we had a paper ball fight to pass the time. He was such a good friend and a joy to visit with. He will be deeply missed. My heart goes out to each of you and I pray that God will give you the strength and comfort you need during this difficult time. God Bless all of you.

“ I am at a loss for words when it comes to saying what Ricky meant to me. He was always someone I heard about when I talked to my parents. I am sure it was the same for him. When I would run into him it was like no time had ever past. I was so looking forward to seeing him at our reunion in May. It will not be the same to not have his great smile and wonderful laugh. I am not sure what I could say that would ease any pain for any of you, just know that your whole family will be in the thoughts and prayers of my family.

“ Michelle, Andrew, Connor Rex Ivan, Carolyn, Sherry and Family Rusty and I are so very sorry for the loss of Ricky..There are NO words to explain how special he was to us. He was such a great guy to know..When Rusty was deployed he made a special point to let me know if there was anything I needed he was only a phone call away, he also wanted to take Ty deer hunting because he knew how much Ty loved doing it with his dad and wanted to make sure he didn't miss a thing while Rusty had to be gone, and only did Ricky and Brad take him deer hunting but he took pictures to make sure Rusty could see his deer!! It didn't matter what a busy life he had, he took the time to make others happy!!!! And for that we will always be grateful. Please know that your in our thoughts and everyday prayers and know that Ricky will always remain a part of our hearts. May God send you all comfort.. “My heart has been so heavy since receiving the call about Ricky. It was just the week before that Ronnie, Ryan, and I were talking about our class reunion that several of us are working on putting together in May. Ronnie and I had discussed Ricky in great length with memories of high school and how proud both of us were in all the accomplishments Ricky had done. I was so looking forward in getting with him to sing and listen to some of his songs. It hurts that he was taken before we were able to do that. However, I can't not compare to know the pain and sorrow you as a family are feeling. Please know that my thoughts and prayers are with you to ask the Lord to comfort and provide strength during this time through family and friends. Please know that not only am I expressing sympathy from myself, but from my family as well. Rex Baird, know that Grandma Wilma is thinking of you. Rex Ivan and Carolyn, know that Larry and Melba have you in their thoughts and prayers. Sherri, know that Michael is thinking of you as well. Our family&s have been intertwined since our Grandparents have been friends and church friends/family as well, Richard & Sharon Jacobson and family; Allan and DeAnn Baird and family, please know that we are so sorry and you have our loving thoughts.

“ What will help you most in the days that follow Ricky&s passing will be your group of close-knit friends and family in your community. You will do things for one another. You are like an extended family. Friendship and companionship are important parts of your healing, and the children will never lack for loving relationships. We must keep Faith during the Tough Times. We dedicate Eliza E. Hewitt&s song, "When We All Get to Heaven" to Ricky: "Sing the wondrous love of Jesus, Sing his mercy and his grace; In the mansions bright and blessed, He&ll prepare for us a place. While we walk the pilgrim pathway, Clouds will overspread the sky; But when trav&ling days are over, Not a shadow, not a sigh. When we all get to heaven, What a day of rejoicing that will be! When we all see Jesus, We&ll sing and shout the victory."
