“ I graduated from Freedom High School with Bob. He made you laugh and could turn a bad day into a great day! We had many good times throughout the years. He had a large caring heart. I was so happy to see Bob at our 50th High School reunion in April, 2019. Thank you Bob for your service to our country. Glenda Lewis Stoner

I first met Bob when we each started the first grade at Freedom Ok Schools in about 1959. We would continue as classmates until graduation at Freedom HS in 1969. I especially remember being on the football team with him, we played our positions side by side on the left line. His number was 84 and mine was 80, many memories. Bob was also a good basketball player, as well as a very good academic student, he really excelled in math. Of course life happens and we didn't see each other much. I am so thankful to have seen and visited with him at our 50th in 2019 at Freedom Alumni. Bob was a great man and always fun to be around, we will miss him. My condolences to his family. Bob thank you for your service to our country.
