“ *Roberta (and Donald) were very dear friends of ours for many years. When they found out they were getting their first baby (Krisi), Roberta called me and asked me to come over to show her how to fold diapers (cloth ones at that time!) We spent the afternoon folding newly washed diapers. We were involved in church activities together and enjoyed playing a lot of bridge. Roberta was a dear and kind person and I am glad that she was my friend. Our sympathy to Kristi and Misti and their families.*
