“ *I member Roger as being so much like his Father Edgar Miller and it always brings great memories of them both. Roger and I had a lot of good conversations, one thing I really remember was Our Grandfather Isiah Oscar Miller, and then our Uncle Willard Harper Miller and finally Roger Eugen Miller all farmed the old Miller place, three generations of Millers plowed the same dirt out there. How awesome this was in my belief. I will miss you cousin Roger, I am glad you did not suffer long with your health. My memories of you are all good.*
