“ *I am so thankful for knowing Aunt Rosemary my entire life. She was so much more than an Aunt to me, she was a sister, a mother and my best friend. I have had a very hard time believing she is truly gone, but, I am so thankful that she no longer suffers. She taught me so much and I am so thankful for the time we spent together talking, laughing and crying. Prayers for her true family and for the many dear friends she had. She was one of a kind and will never be forgotten. Love you Aunt Rosemary!*

“ Lezlie, Preston & Beth,
I can&t begin to tell you how sorry I am over the loss of your mother. The last time we spoke on the phone, she talked about each of you and how very proud she was of you and your children. She will be missed by all of us who knew and loved her. I feel blessed to have had her as my cousin~~she was like a sister to me when we were growing up. I know she is in heaven now~~organizing a huge Freeman Family Reunion. I&m so sorry that I&m unable to be there tomorrow to say good-bye to her, and to support you in this time of pain and sorrow. Love to each of you.
