“ Dear Stewart family, I am so sorry for your loss I cant even begin to know what you are going through at this time. One of the things that I have found to be a great source of comfort when I lose a loved one is the thoughts expressed in the Bible at John 5:28,29 were we see that God is going to bring our loved ones back to life at Revelation 21:4 We see that God is going to eliminate all of the cause for why we get sick grow old and die. also at Psalm 37:10,11,29 we see that God is going to destroy all wicked evil people and only those who are good in his eyes are going to have the chance of living forever here on earth in a paradise surrounded by other happy healthy people. it is my sincere hope that these thoughts bring your family comfort at this time once again i am so sorry for your loss.
