“ Sharon was a blessing to all who knew her with her friendly and caring personality. It is such sad news and a great loss that she isn't with us still. May God be with her family especially as well as with her friends, and bring them comfort and love. - Sandie Olson

“ David and Sharon were an answer to a many prayers through the years. Dewey and David connected and Sharon and I became very close. They were there when I really needed them. Sharon was always so sweet and provided much needed advice with an objective opinion. She was a very gracious lady that I loved as a sister. I will miss her. May the Lord comfort her always and be with David and the family during their time of grief.

“ I will always remember Sharon as such a nice person. She was always helpful and so kind to others. One of my last memories of her was when we all got our Senior pictures. We were told that one of the students would be chosen from the group and their picture would be used show to other schools. Sharon's picture was the one selected and it showed the true kindness that was her. They had picked the perfect person to represent their company. Tracey

“ *During our family visits to Waynoka, Sharon was always a joy to be around. Her laughter came easily, yet she seemed a little shy about it. It was always funny when my father, Sharon's Uncle Jack, would tease her and joke with her. I still remember the huge meals cooked and enjoyed in the McNally home, with lots of love, smiles and orneriness. Rest well, Cousin.*
