“ *I never had so much fun as the day Duck took us both mom and I to the the food show in OKC. Duck and I was hitting all the food benders. Every time we turned around mom was gone. We found her in the over 21 beverage section. She really liked that tequila Rose. Mama I think about you often. Think heaven only serves holy water. I'll try to sneak 1 when I come to visit. RIP Sweet mama.*

“ *Sheila is one of my favorites. Spunk personality galore. Wonderful neighbor on the Aline blacktop. Cared for my kids in all ways growing up, including plugging into her electricity during deer season if necessary. Wonderful hot peppers on occasion. Jeremy's good friend...and all of my family's friend. Darrel a wonderful person also and they belonged together. Will miss her.*

“ *Sheila loved her grandchildren. She was quick to travel to Dallas and help out when Jordan was born and then again five years later for Michelle. She was there for their births and 30 years later for their weddings. A wonderful Gran, a caring mother in law forever in my heart. Kay*
