“ JL, Allen, Mike, Sue, Laura, Charles, and grandkids-- My heart sank when I heard of Shirley passing away. She was by far one of the most amazing people I have ever met. Its amazing how much I learned from her in just the short time I knew her. It seems like I've known her forever. Her amazing smile...I will never forget how beautiful she was. I loved to tease her about her big feet. I think she liked it! She was sooo proud of you all! She told me so many stories about each and every one of you. Many of those I will keep to myself. I loved to hear all the wonderful things that Laura and Sue cooked. Your mom doted on you non-stop. And both of you inherited her beauty. She told me about every family get-together with a gleam in her eye. You all are exactly how a family should be. Be proud! I knew from the beginning that she and JL shared a great love. I think JL was a little nervous about trusting me with Shirley (he even grumbled at me once in the beginning). It wasn't too long then and we were good friends. He was her knight in shining armor. They even worked together baking cakes which they would share with me and my boys when we visited. JL would take my boys out back to pick up pecans while Shirley and I did our thing. I think I benefitted more from our relationship than she did. I will never forget some of our more serious conversations about forgiveness. It was beautiful the change I saw in her when she was renewed with God. She was glowing and relieved and so excited. The excitement was contagious. Thank you all so much for letting me be a part in her life. Love Always, Anisea Rhodes
