“ Oh the memories of all the times together - the many dinners and parties with the Hannafords and so many others; the softball games when Karen and Stan sponsored our women's softball team and Stan coached; Our kid's ball games - softball, basketball and soccer; all the trips across the state with the Jaycees and Jaycettes and all the state conventions; the great times when we just set around visiting in our yards; And we'll never forget those great Fourth of July events, fishing derbys and fireworks. Year after year, we created great memories. Thank you Karen, Stan, Kandee and Karmen Almgren for memories and friendships that we will cherish forever. Love you Karen and girls.
