“ *I am so sorry to hear of Sue's passing. I loved her like a second mother. I will never forget her laugh or the way that Vern and she would tease me. She was beautiful, inside and out. I will never forget her smile, her hugs, and her support. Sherri, Vern and Danna- I love you all, and am praying for you.*

“ *Sue was such an amazing woman. She was always quick with a laugh, a smile, and a joke. She's been around my whole life, and I can't remember her ever being anything but entertaining. One time, she drove her dog to OKC, so I could do surgery on her little dog. It meant a lot that she had such trust in me. She was one of the toughest women I've ever known. She will be missed a lot.*
