

Dr. Susan Marie Hull

June 5, 1961 - September 9, 2020

Private graveside services for Dr. Susan (Susie) Marie Hull will be in the Waynoka Municipal Cemetery under the direction of Marshall Funeral Home of Waynoka, LLC. The family will host a memorial service at their home 2:00 p.m. Saturday, September 19, 2020.

Dr. Susan (Susie) Marie Hull, daughter of the late Raymond Alfred and Esther Lorean (Garhart) Moore, was born June 5, 1961, in Pasco, Washington, and passed away September 9, 2020, in Wichita, Kansas, at the age of 59 years, 3 months, and 4 days.

Growing up in rural Wyoming, she was the 6th of 15 children. Eventually, she was forced to quit school at an early age to help support herself and her family. She later earned her GED and became the first female Certified Mechanic from the Southeast Community College at Milford, Nebraska in 1982. She excelled in her profession and worked on many different things, including racecar engines. With her passion to make things better, she changed professions and began her journey working on ranches and doctoring cattle.

On August 3, 1996, she was united in marriage to Dwight Hull at Waynoka. For a time, she worked as a CNA and Pharmacy Tech. She then attended Northwestern Oklahoma State University where she obtained her Bachelor's

Degree in Biology and Chemistry. She was then accepted into Medical School at the University of Kansas where she graduated in 2008. She completed her Internal Medicine Residency in Wichita in 2011. In 2012, she opened The Medical Clinic in Waynoka with a desire to have a more personal connection with her patients and be in a rural community.

Susan had a heart for community service and was involved in many philanthropic endeavors. She was very active in the Oklahoma State Medical Association where she served as Rural Chairman, among many other positions. She was also a member of OHCE, AAUW, American Medical Women's Association and the National Physicians Council. She was the presiding state president of American Association of University Women. She attended the Waynoka First United Methodist Church where she was a member of the United Methodist Women.

Susan is survived by her husband, Dwight Hull of Waynoka; one son, Sage Cook and wife, Megan, of Waldron, Kansas; two daughters, Hannah Kimbro and husband, Dal, of Waynoka, and Kelsey Hull of Oklahoma City; two grandchildren, Gavin and Carver; other relatives and many friends.

In lieu of flowers, memorial contributions may be made through the funeral home to the NWOSU Foundation for the Science Department, the Foundation which was influential towards her becoming a medical doctor.

“ *Dr. Susan Marie Hull*

January 30, 2023 at 03:38 AM

“ *My condolences to Dwight, Kelsey, Hannah, Sage and the rest of our family. Unfortunately, I was only meet my Aunt twice in my life time, I am very thankful for those precious moments. Last year, she made a trip with her husband and sister Angie. My son immediately gravitated towards and he grabbed her hand and they went outside together, threw the leaves up in the air and snapped some photos. She will be greatly missed. I've donated to the Science Department in her honor.*

Shala Hess - September 17, 2020 at 11:32 AM

SH

Susie was beautiful on the inside and out. Her warm caring smile filled with joy and enthusiasm was infectious to all around her. She was amazing and so talented! Not many Doctors around could cure your cold, fix your care, catch your sick calf and make it well too! Susie had the desire to fix everything and everyone even animals to help them to feel well and be happy too! You are loved and I will miss you my friend! Keeping all her loving family in our hearts thoughts and prayers. Our deepest and most sincere sympathies!❤️🙏

Thank you for sharing. Dr. Hull will be sorely missed by her family and all who knew her. My deepest sympathy to her family.

Sandie Olson - September 20, 2020 at 06:10 PM

CP

“ It is so very hard to put into words the grief we are all feeling at losing Susie Hull. What a beautiful heart and sweet, sweet, soul! Susie was one of the most compassionate and courageous persons I have known and she deeply touched so many lives, including my own. I feel blessed we were good friends. Susie could marvel and see the beauty all around her, whether it was a promising new medical treatment, baby calf on the farm, radiant Oklahoma sunset or beautiful wildflowers blowing in wind. She loved life, her patients, friends and most of all her family. Her love, grace and compassion lives on in our hearts. She is now in the warm and comforting embrace of the Lord. My most heartfelt prayers to Dwight, Sage, Hannah and Kelsey and the rest of her extended family. May you all find comfort and peace in the coming days as that is what Susie would want for each of you. God Bless

“ Dr. Hull could truly be remembered as a Proverbs 31 Woman. She worked with eager hands. She set about her work vigorously; her arms were strong for her tasks. She was clothed with strength and dignity. She spoke with wisdom and faithful instructions were on her tongue. Many women do noble things but she surpassed them all. Honor her for all that her hands have done, and let her works bring her praise at the city gate. She will be missed. Darla Janney

Darla Janney - September 14, 2020 at 03:09 PM

Well said, Darla. Oh he loss we all feel!

“ I got to know Susie through my parents, Kamell and Dee Cohlmia. They thought the world of her and I came to know why. Susie was a gracious, kind, funny, lady. I always enjoyed being with her and her darling daughter Kelsey, and of course her husband and olde children, but most of the time it was Susie and Kelsey. She was so proud of her family. She enjoyed her grandsons, and the time they spent on the ranch together. Susie had a heart of gold. I don't think I ever heard her say a bad thing about anyone. She seemed to always look for the best in all of us. I enjoyed hearing about her travels. I always told her, someday I wanted to travel with her. Although, I didn't actually get to, I did through her tales. She brought her adventures to all of us, through her pictures and narratives. My heart is broken. I didn't think her story would end like this, but although her life wasn't nearly long enough, she pack a lot into it. Susie, you will be missed.

“ Besides the greatest doctor I EVER HAD - I came to love Susie for her great compassion for all people and her love for life! I will missing seeing her dressing up for the school kids on the Halloween parade passing out treats (usually something healthy - ha!) She leaves a huge hole in Waynoka and the family!! Ray Hull

Ray A Hull - September 12, 2020 at 01:54 PM

“ Susie and I attended NWOSU together, and we had a few classes together. Over time, we continued to talk, and I got to know some of her family in the process. She was a kind-hearted, compassionate friend who cared for her family and for others. She enjoyed traveling and trying new things, and she never stopped learning. I shall miss chatting with her, and my heart breaks for her family at their loss.

Timothy Click - September 12, 2020 at 01:34 PM

“ Dwight and family,
What an incredible lady plus an outstanding physician. She was such a blessing to all who were fortunate to know her. Praying for comfort and strength.

Dave & Anita Noland - September 12, 2020 at 12:03 PM

BM

“ I do not know what I would have done without Susie over the last four plus years. She gave me comfort, encouragement, a listening ear, and so much more than any doctor I have ever had. She was a blessing not only to me but to so many. Susie will always be remembered and hold a permanent place in my heart. It was a true honor to know her. To say my heart is breaking would be an understatement. I cannot even imagine the tears and heart break her family and loved ones must be feeling. I pray those who love and cared for her will be comforted through the wonderful memories you have created together. 🙏💕🙏💕🙏

“ Words are not enough to express what a blessing Dr Susie was. She was beautiful outside and inside. She was the perfect example of what a true physician should be and more. Full of knowledge, caring, taking time to explain how and why, down to earth, and she gave good shots to. Can't tell you what a blessing she was to me personally and I'm sure for all she cared for. Prayers for all of you

Barbara Hearn - September 11, 2020 at 11:42 AM

I cannot believe that Susie is gone -- I am so sad. I was looking forward to her ideas and enthusiasm leading AAUW/OK over the next few years. As a relatively new member, she provided new perspectives and new energy -- she was truly passionate about empowering women and girls. Through Susie, we got to know her daughter, Kelsey, who is just as dedicated and another great team member. And, Susie was so strong -- she continued to be involved, without falter, until the end. She will be greatly missed.
