

Traca Fern Davis

September 1, 1922 - August 2, 2015

Funeral services for Traca Fern Davis will be 2:30 p.m. Friday, August 7, 2015, at the Alva First Baptist Church with Pastor Mike Taylor officiating. Interment will be in the Alva Municipal Cemetery under the direction of Marshall Funeral Home of Alva. I have gone home to heaven to be with my Savior, Jesus Christ, on this August 2nd, 2015. I decided I wanted to write my own obituary before this glorious day to help my family at this difficult time. I was born in Dacoma, Oklahoma, September 1, 1922, to my parents, Ernest and Pearl Walderich. My sister, Lois, was anxiously awaiting my arrival. I grew up in Dacoma, where I attended all twelve years of school, graduating from high school in 1940. I then attended Northwestern Oklahoma State College in Alva. I was active in the music department, singing in Acapella Choir, presenting vocal recitals, and enjoying membership in our music society. I married my high school love, Rex Davis, November 26, 1941, and moved to the farm near Dacoma to begin our life together. We were married almost 59 years before his death in 2000. The biggest and happiest event Rex and I ever experienced was the birth of our precious daughter, Janice Deanne. We lived on the farm all of her growing up years. We were blessed with our daughter all of our lives. She always wanted to do things to make our lives happy, and she always did just that. I worked at Central National Bank for many years. I was blessed with co-workers who also became my good friends. I tried always to help all of the people who came to me as customers, and I especially enjoyed visiting with the children who accompanied their

parents to my drive-through window and receptionist's desk. It was fun spoiling them with gum and candy as I watched them grow up through the years. Even now, I could name a lot of them. I have always been a people person, and God blessed me with many friends. Another big event and blessing in my life was becoming a grandmother to my two grandchildren, Johnny Rex and Tammy Michele Buckles. They were my pride and joy. We had so many good times together, and taking my daughter and them on trips to Colorado each summer for many years were important highlights. While they were small, we did many more fun things too numerous to mention. I know and admit I was a silly "Grammy," and I never ever wanted to get over that. Thank you, Janice and Bill, for giving them to me. I had four adorable, sweet great grandchildren, Amanda Pearl and Haley Michele Daniels and Annie Grace and Johnny Rex Buckles, Jr. (Rex). They were a great joy to play with while they were babies and as they were growing up. Lois Sense was my very special sister. I was truly blessed with a great family that I loved dearly. A big part of my life was devoted to music. I sang all of my life for those who wanted and asked me to. God gave me what talent I had so I could serve Him by helping others in time of sorrow or on joyous and special occasions. I was a member of and served in First Baptist Church for many years. I sang in our church choir over thirty years. My choir, Gleaners Sunday School Class, and church family were all special to me. I always enjoyed cooking for my family through the years, fixing favorite foods for each of them. They all liked my homemade ice cream, then those favorite salads for my Tammy, but during the last few years, I couldn't do it. Age slipped up on me. Those preceding me in death were my husband, Rex; Mother and Father, Pearl and Ernest; sister, Lois and brother-in-law, George; great granddaughter, Maggie Kaye; and a host of dear relatives and friends. I am survived by my daughter Janice Deanne, granddaughter Tammy and great granddaughters Amanda and Haley, grandson Johnny Rex and wife Tami and great grandchildren Annie and Rex, and a host of special relatives and friends. Memorial contributions in my memory may be made to First Baptist Church in Alva, OK, through

Marshall Funeral Home. The service will be streamed live on the web at <http://citylinktv.com/channel/alva-marshall-funeral-home/>

“ *I was so sorry to read of Traca Fern's passing. She was such a good friend to our family, especially after my Dad passed. She took time to help my Mom set up direct deposit, direct pay of her utilities, etc. & walked her through so many of life's monthly tasks that Dad had always taken care of. And all without making her feel "dumb". I will miss her BIG smile, & even bigger hugs. She will be greatly missed. Janet Sue and the Family of Faye & Conner Harris*

“ Dear Janice and Family, I remember so well the days I was just in college and you and your mom would come into Schuhmacher's to shop. Both of you laughing and so happy! You two coming in was always the highlight of my day. Janice, what a wonderful mother you have had in your life. She was a great blessing to you and everyone who knew her. I know you will miss her terribly, but I also know we will all see her again one day. My prayers are with you and your family during this time.

“ *I first met Traca when she was working at CNB. Always friendly and bubbly. When the kids dad and I lived in England and came back for a visit, we'd go to the bank to see Traca. (At sometime she had met my oldest daughter before we went to England) My daughter had picked up a thick English accent in the 4 1/2 years we lived there and Traca always liked to hear Rhonda's accent...She'd laugh and giggle and talk to Rhonda just to hear that accent.. Of course there was always candy or some treat for her. To the family...My deepest condolences on your loss...may GOD wrap his loving arms around you during the time... Kathy (Walters) Racette*

“ a great friend and encourager! She and my mom were friends and I inherited that friendship over the years! when I was little and going through the drive thru at the bank with my dad and Traca would give me a sucker! I thought for the longest time I was the only one she gave one too! I remember when I figured out she gave one to every child! I wasn't very happy about that! but she had enough love for everyone in her life! she blessed me over and over with her voice in song and her greetings at the door of First Baptist Church -- I will miss my visits with her when I come back to Alva but look forward to the day when we will visit in heaven. love and prayers to this precious family. “ *Janice and family, There really aren't enough words to describe Traca Fern. From the first time I met her, I thought how could someone be that friendly, loving, caring and always smiling all the time BUT she was! Rather it was at the bank, grocery store, clothing store or Wal-Mart she always greeted me with the biggest smile and a friendly conversation. We are all truly blessed to have had the honor of knowing someone so special, and SHE was just that, Special! Sending the family our sincere sympathy and keeping you all in our thoughts and prayers. Love, Steve & Connie Redgate Waynoka, Ok.*
